

X-2

Attached are two reports concerning Perilli which I think you should see.

At your request I sent Bill down to see what it was all about and said that I would take over his villa if this could help matters. It seems to have helped out, though I suppose highly illegal etc.

In any case I spoke about it to Crockett who said he would take up case with this Nigrelli, as they were trying to stop this sort of thing.

Would you pass on part pertaining to X-2 to Mr. Blum when you have noted it.
